## WEEKLY FAMILY NEWSLETTER

### NEW Daily Attendance

Attendance continues to be taken daily through Bridge Builders' interaction with the teacher and Google Classroom. This includes, but is not limited to answering the Morning Meeting question, turning in assignments, or communication with the teacher. We understand family work schedules and other situations can make logging on during school hours difficult at times, thus we are accepting daily assignments until **8pm**.

### Live Teaching

All classroom teachers will be conducting live teaching sessions three days a week. If they have not done so already, teachers will communicate those time to you. Each week there will be one ELA lesson, one Math lesson, and one Q&A session dedicated to answering lingering student or family questions. The teachers will also communicate their lesson schedule with you. For the week of April 6th, live teaching will take place on Monday, Tuesday, and Wednesday.

## We're Going LIVE!

In response to the parent survey, we are having a **Technology Q&A on Tuesdays from 2 - 3pm**. Please use this link to join us on Google Meet: [BPCS Technology Q&A](#).

If you are experiencing technological issues, please reach out to us at [mainoffice@bridgeprepcharter.org](mailto:mainoffice@bridgeprepcharter.org). A member of our team will get back to you as quickly as possible.

## Building Bold, Bright, and Unique Bridges

During these unique time, we would like to shout out Ms. Madonia for organizing a campaign for our Bridge Builders to draw uplifting pictures and write hope-filled messages for all the medical personnel working hard at Montefiore Medical Center. We sent them in care packages with 3D-printed face shields.
