

# THE BOLT

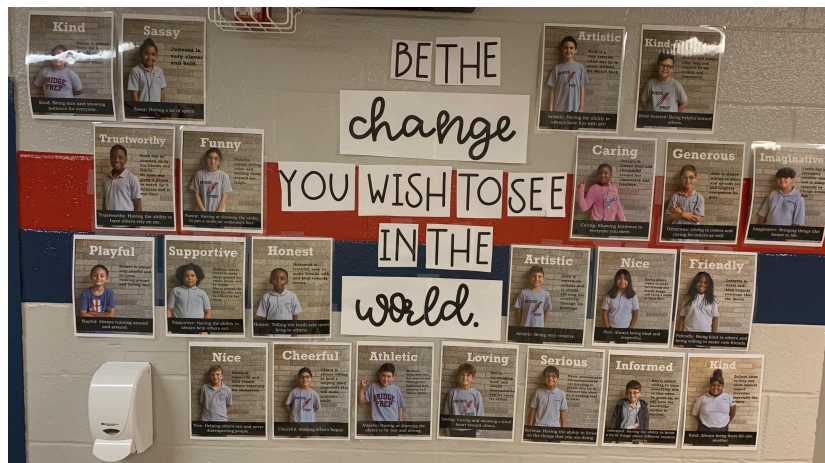

## MONTHLY NEWSLETTER

### Back to School Night

Please join us on **Tuesday, October 26th** for our "Better Late than Never" Back to School Night. In order to accommodate visitors in the building, classes will be split into groups, and families will be able to flow into their Bridge Builder's classroom during a specific time window.

- The first half (alphabetical by last name) of each class roster will be invited in **Group 1 from 5:30-6:15pm.**
- The second half (alphabetical by last name) of each class roster will be invited in **Group 2 from 6:30-7:15pm.**
- All visitors **must** wear a mask and pass a temperature and health screener.
- You will only be allowed in classrooms for 5 minutes to keep people traffic flowing. You will have the opportunity to connect with classroom teachers about your student's academic progress in the coming weeks.

Please reach out to your classroom teachers to find out what group your family has been assigned to.

### We're back!

It has been a while, but our newsletter is back! We would like to thank you all for your support and patience as we have navigated the challenges that the start to this school year have posed us all. Read this newsletter in its entirety, as you can expect a return to the Bridge Prep way of thoughtfully communicating in the form of a digital copy before the start of every month going forward. Please continue to check Remind as this is how we will share **The Bolt** each month, in addition to, other updates and information. As things continue to settle in we ask for your ongoing patience, partnership, and understanding in all matters, both in and out of our control. Stay tuned!
